PROFILE

As a native German speaker, I am a detail-oriented translator specializing in English to German translation, with particular experience in website and marketing translation within the dynamic fintech industry. I am dedicated to producing precise and culturally resonant translations that elevate global communication and expand market reach. My passion for language and commitment to delivering high-quality work drive my efforts in ensuring accuracy and cultural relevance in every translation project.

EXPERIENCE

Freelance Translator

- **Freelance**
Feb 2020–Feb 2024

I have experience in translating corporate content within the fintech, cryptocurrency, and marketing sectors. This includes websites, documents, and marketing materials.

Guide

- **Acti Lingua, Vienna**
Feb 2018 – Apr 2020

At the language school, I served as a cultural city guide for international students, showcasing our city's heritage and attractions, communicating in both English and German.
