Summary I have been an ESL teacher for over twenty years now, and I have been managing my school for over eight years. Since my beginnings in this field I have taught people from several different fields and it has given me the opportunity to expand my vocabulary and understanding in areas such as, I.T, Healthcare, Sciences, Mathematics, Engineering and many others.

Career history

English Teacher at Oak

Jun 2015 - Present (+8 years)

Oak is my own school where I have been teaching, managing and training students and teachers so they can fulfill their dreams and achieve goals. We have a humane approach to education and mainly work with adult students.

Skills Communication Skills, Collaboration, Resilience, Willingness to Learn, TESOL, Curiosity

Languages English, Portuguese, French, Spanish

Education

System Analysis and Development from Unifatecie

Finishes 2024

This course is designed to prepare students for all fields within I.T, my focus has been into development and cybersecurity.

Arizona State University TESOL Specialization from Arizona State University

Finished Jan 2024

I have twenty years of experience and took this course as a way to update my skills, and to my surprise I used the same studies to develop the syllabus for my school. I was really happy to be able to review all of these guidelines for my work. For any ESL teacher I recommend it.

Licences & certifications

Arizona State University TESOL Professional Certificate

Issued by Arizona State University

Dec 2023 - Jan 2024

Throughout this professional certificate, learners write lesson plans, record themselves teaching, and create a professional teaching portfolio. In the final Capstone course, students have to submit a teaching portfolio for expert review.
