

Translations by F.Sklavounou

Specializations: Air Freight, Imports, Exports, Shipping, Legal, Pharmaceutical, Medical , Press Releases, Aviation, Travel, Management etc.,

Experience: 14 years - I have a business, logistics, shipping and aviation work background.

Service: Accurate and fast. The service includes a talk-through after delivery to offer alternate words or phrases to ensure client satisfaction. Service is flexible and if a translation is extremely urgent, arrangements can be made to work through the night to ensure timely delivery, at a premium.

Verisign Digital Signature: On request, documents can be submitted bearing a Class 1 Verisign Digital Signature to legally verify the authenticity and provenance of the translation, and to legally prove it has not been changed or tampered with in any way during delivery – (useful for litigation purposes and to prove chain of custody). This is equivalent to having a translation stamped by the CCIAA, but internationally more acceptable. This service is chargeable.
