## Professional experience

- *From 2000 to date:*  
Independent technical translator, in collaboration with my wife, for the industry and marine professions specialised in the fields of navigational electronics (GPS, radar, depth sounders, etc.), marine radio, marine construction, rigging, fittings, engines, production of energy, weather, nautical guides, etc. Automotive and transport technology, electronics, radio, computers (hardware and applications), and environment and energy technology complete these specialised fields of work. We are also specialised translators in literature, accountancy, sociology and history.  
**Airbus Eurocopter certified translator since 2014**  
*Over 5 millions words translated since 2000*
- *From 1981 to 1999*  
Creation and management of Accastillage Diffusion Toulouse SARL (ships chandlers) which, in 1986, took over the company *Comptoir Catalan d'Accastillage* in Perpignan to create the *Accastillage Diffusion* point of sale in Canet Plage

I developed this company which, at the beginning, I ran on my own. On ceding my shares when I left, the company it had 9 employees on the two sites.

- *In addition to this activity*

1983

Created and launched the shop *Accastillage Diffusion* in Neuilly-sur-Seine then ceded the company as initially planned once the activity had got off the ground

1984

Opened an *Accastillage Diffusion* outlet in La Grande Motte after the previous point-of-sale closed

From 2012 to date

Marine surveyor member of Collège Européen des Experts Maritimes et Fluviaux

From 1984 to 1999

SHOM Official Agent (Service Hydrographique et Océanographique de la Marine – French Navy Hydrographer)

From 1986 to 1990

Selected the range of electronic products and participated in the preparation of the *Accastillage Diffusion* catalogue. I was responsible for producing the range of products and drawing up and designing the *Accastillage Diffusion* catalogue

1996 to 2002

Participated as a yacht and pleasure boat expert in tourist engineering studies by Adoc consultants (Toulouse):

- Sailing centres for the urban district of Vannes and in the Gulf of Morbihan
- Sailing centres for the urban district of Dunkirk
- Setting up the Calvados nautical network

- *1978 to 1980*
