## **CONSISTENCY**

Consistency is the key. By using one source for all your translation needs, you can be assured that your translations are centralized. We believe that only approved translators are essential for your work. Your approved translators would understand and appreciate your company-specific terminology and style.

## **APPROVED TRANSLATORS**

All our translators have been independently tested and approved before being included on our database. **TRANSFIX** only uses mother tongue native translators with a thorough understanding and years of experience in their technical field. Our translators cover all subject areas. Just ask us for a quotation so we can **TRANSFIX** for you.

## DOCUMENT TRANSLATION

**TRANSFIX** will handle any size of translation project, from a simple one page letter to a much larger multi-lingual project.

We provide:

- Translation by approved and experienced translators who are specialists in their chosen field.
- Translation into and out of more than 140 languages.
- Localisation of documentation, instruction manuals, packaging etc.
- Short email turnaround for small, urgent jobs.
- Translations in the format of your choice.
- The highest quality standards.

## WEBSITE TRANSLATION

Translation of your website is essential when exporting your products and services abroad in order to increase your potential market. Our technical expertise enables us to offer competitive quotations for the translation and localisation of your website. Our translators understand cultural differences, which ensures that your text is not misunderstood or misrepresented in another country. This service is offered in a wide range of languages, from European to Arabic and Japanese.
