## ■ Work Experience & Specialties

After graduating from Tianjin Foreign Studies University, I worked at TEDA Haicheng Translation Center for three years as a Senior Translator & Project Manager. Since bankruptcy of the company, I have worked at home as an in-house freelance translator.

I love translation, and have **13 years of experience in translation** (including 3 years as a part-time translator during my university period). I have provided high-quality translation and interpretation services for many world famous enterprises. With full of affinity for people and perfectly strong body, I'm competent for business travel at any time depending on the company needs, and able to adapt to long-term high-intensity work.

**Specialized in:** **Pharma**, medical equipment, software and website, construction tenders, contracts, quality management, machinery, IT, finance, financial statements, annual reports, financing reports, trust plans, prospectus...
