

Curriculum Vitae - Angelique van Engelen
Writer

Employment history

Nov 1999 - Currently Freelance copywriter/journalist/researcher/screenplay writer. Run a professional copy writing business; www.contentClix.com. Work entails writing content for websites, developing brand-specific texts, maintaining themes and strategic thought about positioning written ads and articles. During the past year, I have written a full length feature screenplay, and written a character treatment on request of an LA film company. I also set up a structure for the employment of fictional characters emerging in cyber space on a blog; www.blog.contentclix.com.

June 2000 - May 2001 Riskcenter.com correspondent in Europe. Wrote risk management articles for this US-based media house, targeting professionals in the financial, energy and commodities sectors. Also was involved in marketing the service to prospective clients.

July 1998 - Nov 1999 Analyst/editor Commercial International Brokerage Company (CIBC) in Cairo, Egypt. Involved with the start up of the brokerage arm of Egypt's largest commercial bank. Main responsibilities included editing sector/company research.

Aug 1997 - July 1998 Analyst/Stock broker T. Hoare London. Passed the Financial Securities Authority exam in London, worked on the Egypt desk, responding to client queries, writing research and compiling a daily report for institutional investors and fund managers investing in Egyptian equities and new stock issues.

Aug 1996 - June 1997 Editor at Emerging Markets Database London and Africa Focus. Compiled and edited financial news from emerging markets, later on with purely an African angle for a variety of printed and electronic media.

Mid 1994 -Aug 1996 Institutional Investor Newsletters. Wrote for Global Money Management for two years. Moved to Emerging Markets Week beginning 1996. Covered pension fund investments throughout Continental Europe and financing deals in European, Russian and African emerging markets.

End 1991 - Beg 1994 Freelance Middle East correspondent Cairo, Egypt. Wrote articles for Dutch printed media and radio stations. Later on wrote mainly for English language media, including the English service of Radio Deutsche and Voice of America.

Sept 1991 - Oct 1991 Certec International Business Machines
Worked at Certec, a cash register company, translating manuals from Dutch into English.
