ABOUT ME

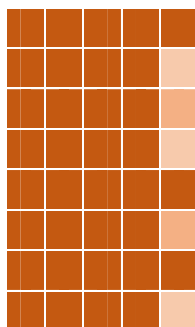

I'm one of the best Eng/Arabic translators whose works always receive good testimonies from my regular clients. I can provide reference letters upon request.

I'm an ATN / APTS-certified freelance translator and team lead with more than 13 years experience in the fields of translation and localization.

Whether you need merely a translation of your documents, or want to make a transcreation or creative translation for your content to suite your special needs, here you come to the right place. I'm able to meet the special requirements of highly demanding clients and provide best quality.
