A level

Professional experience

Since 1995

Freelance translator

I mainly translate and localize books, manuals, software, video games, marketing documents for my clients (big book publishers and software editors).

Last books published :

- After Effects for Apprentices, by Trish and Chris Meyer, Eyrolles
- Photoshop CS4 for Photographers, by Martin Evening, Eyrolles
- Guide de l'iPhone 3GS, MA Editions, coming out soon.

1992-1995

University teacher

I taught Legal English to Law students at Évry-Val d'Essonne University, near Paris.

1986-1992

Several odd jobs

I have always worked while I was at university (art bookshop in Paris, art gallery in Liverpool)

IT literate
