Our company offers translation services with translators who have native fluency in their respective mother tongue, expertise in your desired subject matter, and years of professional experience.

Our objective is to achieve the highest level of translating expertise available. Each task is handled on a professional basis by providing technically accurate language translation services according to specifications, while adhering to prearranged deadlines and pre-approved cost estimates.

We understand deadlines. We understand the need for accuracy. And we make sure that every job regardless of size and difficulty, is carefully edited, proofread and delivered to you on time.

What is more, all the members of our team hold linguistic degrees, have specialized professional backgrounds and most of them are accredited by a national or international association.

### Confidentiality

Our translators are bound by non-disclosure agreements, since we often deal with sensitive, confidential and pre-released material during the translation process. We always take every precaution to keep your data safe and secure.

What is more, information on our clients and their activity are also confidential. Therefore, we do not make them public on our Web-site.

### Quality Assurance

Every client expects that a translation agency will secure the highest possible of translation quality. Quality is our priority; therefore, our linguists undergo initial testing and constant reevaluation.

All our efforts are targeted to assuring the highest quality. To achieve this goal:

Each translation is performed by a native-speaker of the target language of the text.  
Each translation is edited and proofread by other translator.

No matter the volume, our translations are rigorously checked to ensure the greatest accuracy.
