

## Willeke Kafoe

Owner, Project Manager and Translator

I just noticed your job offer at Proz.com and I would like to apply for it, as well as introduce myself to you.

I am a freelance translator for Yellbell Language Services, which is my own translation agency. Yellbell Language Services is a translation agency for the delivery of translation services for small and large companies, online and offline texts, and fiction and non-fiction. We have over eight years of experience with the translation of technical manuals, software, legal texts, books and novels, telecom, marketing and PR material. Yellbell Language Services is specialized in translation services from Dutch to English and from English to Dutch and we use professional CAT tools such as SDL Trados to guarantee the quality and

### Tariffs

We strive for offering high-quality translation services against very competitive prices. Our tariffs are mainly 70 percent lower than the tariffs of other translation agencies, without losing quality at all. My tariffs are as follows:

0 to 30,000 = € 0.06 per source word  
30,000 to 50,000 = € 0.05 per source word  
50,000 or more = € 0.04 per source word

Technical / Medical / Legal  
0 to 30,000 = € 0.07 per source word  
3,000 to 50,000 = € 0.06 per source word  
50,000 or more = € 0.05 per source word

Yellbell Language Services trusts its services and likes to offer you a free translation service without obligations for a part of your text (with a maximum of 250 words) so you can experience the power and quality of Yellbell Language Services yourself. Should you have any questions about our services, please do not hesitate to contact me.

We hope you will become our newest customer who goes for quality and perfection!
