

Resume

Attilio Altieri

Name and surname **Attilio Altieri**
Born in Bari, Italy, october 20, 1984
Email attilioaltieri@gmail.com

Professional Experience

- 2021 **Freelance language teacher (Italian)**, online remote classes.
- 2019-2021 **Language teacher (Italian)** in the Italian Cultural Institute of Guatemala City, Guatemala.
- 2013-2020 **Nutritional educator, workshops facilitator, organizer of cultural events.**
I've been organizing cultural activities and workshops about conscious food consumption and cuisine. The courses have been carried out in cultural centers, associations, restaurants and headquarters of organizations in Italy and in several countries in Central and South America.
- In the workshops people learn to prepare plant-based dishes, the connections between food, environmental sustainability, food sovereignty and health.
- The cultural events are intended to promote environmental sustainability, food sovereignty and healthy food consumption. Among the activities, there are dinners open to the public with a screening of a documentary film, foodsharing activities, and speeches.
- 2018 **Autor** of the “Guía a la Alimentación Vegana”, a manual about vegan cuisine for people living in Latin America.
- 2009-10 **Human rights field officer with Peace Brigades International (PBI)**, Guatemala.
The association works on protection of human rights and my tasks have been: physical accompaniment to individuals receiving threats, interlocutions with authorities, international observation of public events, writing articles for publications.
In addition to these routine tasks, I was responsible for managing the computer network of the association, with special focus on security: firewall, cryptography of

disks and communication.

2008-09 Working in food industry. London, UK.

2006-07 Volunteer with WWOOF, an international network of organic farms. Tuscany and Sicily, Italy.
